BIG IDEA | LOVE ONE ANOTHER DEEPLY. YOU MATTER MORE THAN SCREENS

"I have much more to say to you, but I don't want to do it with paper and ink. For I hope to visit you soon and talk with you face to face. Then our joy will be complete."
2 John 1:12

"In the beginning was the Word, and the Word was with God, and the Word was God... The Word became flesh and made his dwelling among us..."
John 1:1,14

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another."
John 13:34-35

MY NOTES:

GETTING STARTED

What was your first encounter with "new tech" as a kid, and what was that experience like?

REFLECTION/DISCUSSION QUESTIONS

1. Read 2 John. How are John's twin themes of truth and love interconnected here?
2. "Love one another. By this everyone will know you are my disciples." Why is love and unity such a powerful Christian witness? Where do we get this right as Christians? Wrong?
3. How does your obedience to God affect your love for others and how you demonstrate it?
4. Share about a time when a person truly showed up for you when you needed it. How has that impacted the way you care?
5. How have you noticed tech impacting your relationships? What changes are you making this month to improve in this area?
6. Be intentional about your relationships. *Don't just text; call someone. Don't just pray; pray with someone. Don't just say you care; show up and be present.* What would this look like for you this week?
7. What are the prayer requests on your mind and heart today?

PRAYER: Lord Jesus, thank you for bringing us together today in Christ-centered connection. Thank you for the loved ones you've put in our lives. Forgive us for the times when we get too distracted by tech to really see them. Help us to live this week intentionally seeking community. In the name of Christ, we pray, Amen.

GOING DEEPER: Read Acts 2:42-47. Notice the joy evident here. What habits do you see the early church modeling? Which of these habits are reflected in your own life, and which ones are missing? How can you find this joy in your life?
