## Welcome to Worship!

We are so grateful that you have joined us this morning. Today, we are in Week #4 of our fall message series, "The Walk." We are looking at five core disciplines of the Christian faith: worship, study, serving, giving, and sharing. As we develop and practice each of these actions, it will help us to grow closer to God as we trust Him in faith. Let's worship together as we focus on the joy of generosity in our lives.

### CHECK IN

You are important to us. Guests and members, let us know you are here or leave a prayer request by filling out the connection card in the pew and dropping it in one of the boxes in the back of the worship center. You may also check in online through our app or by scanning this QR code or by visiting:

You can donate in the offering boxes on Sunday or [online](#). Thank You for helping us create a memorable holiday for these families.
