“So Christ has now become the High Priest over all the good things that have come. He has entered that greater, more perfect Tabernacle in heaven, which is not made by human hands and is not part of this created world. With his own blood—not the blood of goats and calves—he has entered the Most Holy Place once for all time and secured our redemption forever.” V.15--“That is why He is the one who mediates a new covenant between God and people, so that all who are called can receive the eternal inheritance God has promised them.”

Hebrews 9:11-12, 15

MY NOTES:

GETTING STARTED

What is your baptism story? When and where were you baptized? Who was there?

REFLECTION/DISCUSSION QUESTIONS

1. How is the priesthood of Christ distinguished from the old system (v.12-14)? What types of cleansing did the two systems bring about?
2. Why does Christ's sacrifice have an everlasting result? What changed with his death and resurrection?
3. The author of Hebrews used OT analogies to explain the meaning of Christ's death to religious Jews. What analogies might clarify this concept with non-religious people today?
4. Based on Christ's sacrifice and priesthood, what attitudes and actions follow? Note the four “let us” statements in Heb.10:22-25. What does each one mean and how can it apply?
5. In what specific ways can you spur another Christian on toward love and good deeds?
6. Baptism is a symbol of new life in Christ. In what areas of life is it hardest for you to live as someone who is set free and made new?
7. What are the prayer requests on your mind and heart today?

PRAYER: Lord Jesus, you are the perfect sacrifice for all time. You defeated the power of sin and death forever. May we feel the cleansing of our souls today and hold on the hope that we have in you forever. In the name of Christ, Amen.

GOING DEEPER: Read Hebrews 9:11-12:3. Have you seen the difference between someone assured of their salvation and someone presumptuous about it? How can you develop confidence without presumption? Of the people mentioned in Heb.11, whom do you most identify with? Why?
