

The Centrality of Christ

Christians are people who've had a spiritual revolution placing Jesus at the center of their lives.

Pray:

- Thanks you God for your goodness and grace in saving you through His Son, Jesus Christ.
- Confess that you are still sinful and need His grace just as much as you did the day you were saved.
- Ask God to bring the hearts of the individuals in your group together over the next few weeks.

Introduction:

Ephesians 2:19-22

What are some fears or confusions you have about "reworking our lives around a new center"?

Know the Story: Luke 19:1-10

What was central to your identity before you became a Christian? What defined you?

What makes it difficult to follow Jesus? What makes it easier?
