GROUP DISCUSSION QUESTIONS

1. What is the most important thing God is teaching you right now?
2. Why do you think the children of Israel wanted to send out spies into the land when God had already told them what the land was like? What can we learn from this for our own lives and decisions we have to make?
3. What is the difference between viewing your difficulties through the lens of you as the answer and viewing your difficulties through the lens of God as your answer? Maybe not for group discussion but ask yourself, "How am I viewing my current problems? Am I counting on me to figure it out or am I counting on the Lord?"
4. How can we pray for you? (Share with your group leader.)

"Then Caleb quieted the people before Moses, and said, 'Let us go up at once and take possession, for we are well able to overcome it.' But the men who had gone up with him said, 'We are not able to go up against the people, for they are stronger than we.' And they gave the children of Israel a bad report of the land which they had spied out, saying, 'The land through which we have gone as spies is a land that devours its inhabitants, and all the people whom we saw in it are men of great stature. There we saw the giants (the descendants of Anak came from the giants); and we were like grasshoppers in our own sight, and so we were in their sight.'"
