

## GROUP DISCUSSION QUESTIONS

### I AM A PLACEMAKER

7/6/25

- Have you ever had a dream of what could be but gave up on it because it seemed impossible? What made it seem impossible? Did others' influence add to that opinion? Do you regret giving up on it?
- What do you love about how Paul describes the church in Ephesians 4:11-16? What seems very difficult? What is confusing to you?
- What do you perceive as the difference between what the church is becoming versus what it is doing? How should the church's being and doing synergize? Why do churches tend to focus on either being or doing but not usually on both?
- What is your role to play in both the church being and doing? Are you ready to answer God's call for you to be a Placemaker? Why or why not?

**Key Verse:** Ephesians 4:16 He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.
