The fishing story illustrated how assumptions can keep us from finding what we're looking for.

- What assumptions about God have you had to rethink or relearn during your faith journey?

Paul was passionately seeking God, yet he completely missed Jesus.

- What does Paul's story teach us about the difference between being sincere and being correct?

The sermon suggested that people often create a god in their own image rather than allowing God to reveal Himself as He truly is.

- Why is that temptation so common, and what are some signs that it might be happening in our lives?

Paul's encounter with Jesus changed everything he valued and pursued.

- How has your understanding of Jesus changed over time, and how has that affected the way you live?

Consider the two closing questions from the message:

- How much of my understanding of God comes from Scripture versus assumptions, traditions, or what others have told me?
- Am I trying to make God align with me, or am I allowing Him to shape me into who He wants me to become?

Key Verse: Matthew 7:7 “Keep on asking, and you will receive what you ask for. Keep on seeking, and you will find. Keep on knocking, and the door will be opened to you.
