

“GO DEEPER” QUESTIONS

EVERY DAY MATTERS – DEVOTED CHILD

10/18/26

- **Getting Comfortable with God**
The message talked about how familiarity in relationships can sometimes lead us to take people for granted. How can the same thing happen in our relationship with God? What's the difference between being comfortable with God and becoming complacent with God?
- **The Pursuit of Happiness**
Paul's life was filled with suffering, yet he found something in his relationship with God that made it all worthwhile. How does the happiness God offers differ from the happiness the world encourages us to pursue? Where do you see those two definitions competing in your own life?
- **Letting Jesus Make Himself at Home**
In Ephesians 3:17, Paul describes Christ making His home in our hearts as we trust Him. The message compared this to Jesus rearranging furniture, cleaning carpets, and taking out the trash. What does it look like practically to allow Jesus to make Himself at home in your life? Why do we sometimes resist the changes He wants to make?
- **Discovering the Depths of God's Love**
Paul prays that we would understand how wide, long, high, and deep God's love is, even though that love is too great to fully comprehend (Ephesians 3:18–19). Why do you think God invites us to pursue something we can never fully understand? How has your understanding or experience of God's love changed over time?
- **Never Stop Pursuing God**
The message concluded with the idea that we don't pursue God because He's distant or because we need to earn His love, but because He's simply too wonderful to ever stop discovering. What would change in your everyday life if knowing God more became your greatest pursuit? What's one intentional step you could take this week to discover more of who God is?

Key Verse: Ephesians 3:18, 19 And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love is.
