

“GO DEEPER” QUESTIONS
DARE TO DREAM
5/31/26

- What’s the difference between being impressive for a moment and being faithful for a lifetime? Which one does our culture celebrate more? Why?
- The message talks a lot about “the slow fade.” What are some small compromises or habits that can slowly pull people away from God without them even noticing?
- Nehemiah kept having to call people back to what mattered most. What are some things in your life right now competing to become more central than God?
- The phrase “long obedience in the same direction” shows up throughout the sermon. What do you think that looks like practically in everyday life, not just spiritually dramatic moments?
- The message ends by asking: “Where’s the gap? What are you going to do about it?” What burden, problem, or need do you feel God may be calling you to faithfully help bridge over time?

Key Verse: 2 Timothy 2:7 I have fought the good fight, I have finished the race, and I have remained faithful.
