### LIFE WITH GOD

8/3/25

- Have you found it more difficult to learn new things as you have gotten older? Why? What is dangerous about not being willing to learn new things or new ways?
- Nicodemus seemed to have life figured out. What do you think led him to still be asking questions? What impresses you about the way Nicodemus approached Jesus?
- When thinking about how Jesus speaks to Nicodemus, what observations can you make? Would Jesus have spoken to everyone this way? What do you think Jesus' goal was with this conversation?
- Nicodemus didn't make the decision to put His faith in Jesus after this one conversation. Do you think Jesus was disappointed by this or expected this? If He expected it, how does this apply to how we talk with people about choosing Jesus?

**Key Verse:** John 3:16 "For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life."
