- Paul says true freedom isn't doing whatever you want. How would you describe the difference between that and the freedom Jesus offers?
- What "counterfeit gospels" do you see pulling at people today, and why are they so appealing?
- Have you ever had a tough-love conversation like Paul's with the Galatians—either giving it or receiving it? What impact did it have?
- What helps you stay grounded in God's truth so you don't get scammed by something that only looks like freedom?
