

GROUP DISCUSSION QUESTIONS

KINGDOM. HERE. NOW

6/8/25

- What is the purpose of putting on a show for people? Why is putting on a show for people a dangerous way of living? Why is it even worse when it comes to the way we follow Jesus?
- Why is following a bunch of rules a cheap version of what it means to follow God? What is the hinge "law" upon which all other laws of God hang? What does it mean that all other laws of God hang on that law?
- How can religious acts become evil? Are religious acts themselves evil? What does it communicate to people when we do our religious acts in an evil way?
- What does it practically look like to invest in the treasures of God's kingdom? What is the reward for doing that? Why is that worth living differently?

Key Verse: Matthew 6:1 "Watch out! Don't do your good deeds publicly, to be admired by others, for you will lose the reward from your Father in heaven."
