"GO DEEPER" QUESTIONS

- What part of your name or family story has shaped the way you see yourself? Is there something connected to your name, family, or past that you feel proud to carry—or something you'd rather not carry forward?
- Abram, Sarai, Jacob, and Simon were all given new names that pointed toward who God was helping them become. If God named you according to the person He is forming you into, what do you imagine that name might represent?
- Each of these people followed God imperfectly. How does knowing that God continued working with them through their doubts, failures, and setbacks affect the way you think about your own failures in following Jesus? Read Philippians 1:6 together. What does this verse tell you about God's role in your transformation?
- "Jesus doesn't just call you to follow Him. He transforms you as you follow Him." Where can you already see evidence that following Jesus has changed you? Where do you sense that God may be challenging you to become different right now?
- Revelation 2:17 describes God giving His people a white stone with a new name written on it. Imagine holding that stone with your new name on it. What would you hope that name says about the person you became? What is one concrete way you could begin living toward that person this week?

Key Verse: Revelation 2:17 ...And I will give to each one a white stone, and on the stone will be engraved a new name that no one understands except the one who receives it.
