

## **GROUP DISCUSSION QUESTIONS**

### **ONE**

### **2/15/26**

- When you look at Acts 2, what feels most different between the early church and the modern church, and why do you think that gap exists?
- At what point does structure stop serving the mission and start replacing it? Where do you see that tension today?
- If “we are the church” and not just “we go to church,” what would change in your weekly routine?
- Who has God already placed in your everyday relationships that might be your current assignment?
- If you fully embraced an ALL DAY, EVERY DAY calling, what is one concrete step you would take this week?

**Key Verse:** Acts 2:42, 42 All the believers devoted themselves to the apostles’ teaching, and to fellowship, and to sharing in meals (including the Lord’s Supper), and to prayer.
