Message: "The Confidence to Enter"

Hebrews 10:19-25

Big Idea: Experiencing the presence of Christ is the bridge that connects knowledge of God to a more mature understanding of how to Live as a Christian.

I. Our Responsibility is a Privilege.

A. "We Have" speaks of God's provision.

1. "We have" a confidence to enter the holy places by the blood of Jesus.
2. "We have" a great priest over the house of God.

B. "Let Us" speaks of our privilege.

1. "Let us" draw near with true hearts.
2. "Let us" hold fast the confession of our hope.
3. "Let us" consider how to stir up one another to love and good works.

II. We Have a Responsibility to Ourselves.

A. Battling Unbelief

- 1. Drawing near to God.**
- 2. Holding fast our confession.**
- 3. Considering one another.**

III. We Have a Responsibility to Others.

A. Not Going At It Alone

- 1. Speaks to a collective effort.**
- 2. Is about our responsibility to exhort one another.**

IV. What we take away....

Take notice of Christians who have a heart for the church- who rightfully lose themselves in their pursuit of another's salvation. This is true Christianity.

Experiencing the presence of Christ is a gift that denotes a responsibility: fight the good fight and help others to do the same. Such a life lived forms the bridge that connects knowledge 'of' God to a more mature understanding of how to live as a Christian should.

In short, in a way that reflects Christ in you.
