We are sad to announce that Jim Myers passed away peacefully with all of his family by his side. We will provide service information when it becomes available.

Let's gather for a wonderful potluck meal today after church! This is a general potluck and we've all brought something to share, but if you're visiting with us today, please feel welcome to come and enjoy our meal!

CCK Leadership and Sabbath School Teacher thank you and training luncheon will be next Sabbath, Oct 25 from 1-3pm in the Fellowship Hall, immediately following church. If you are involved in children's ministries in any way, please enjoy a lovely lunch for your whole family. Lunch will be followed by helpful ideas from our local Kid-Min specialist, to boost your ministry enjoyment and effectiveness. Please let Pastor Melissa know if you plan to come: 253-261-5043

Candyland Returns! CCK Costume Party & Movie Night on October 29 from 5:30-7:30 pm in the Fellowship Hall will welcome kids to journey through the live gameboard of Candyland! Kids can travel around the giant course to play games, solve clues, and collect sweet treats at each station. A free dinner is provided, followed by a short movie. This evening is a safe and spiritual alternative to other seasonal choices. Costumes are encouraged, and prizes are awarded for the Best Dressed Family - but please: no scary or evil characters in Candyland!

The Carmichael Community Services Food Pantry continues to make a meaningful impact, serving 332 families and 1457 individuals on October 15. It is a powerful reminder that our work together truly makes a difference.

SAA Constituency Meeting is tomorrow, October 19 at 10:00 am and will be held at Sacramento Adventist Academy in the Multi-Purpose Room. Registration opens at 9:30am. Simple Guide: Your New Online Member Directory Login

Great news! The Online Member Directory app update will be released today. Please use the following very important information to help your members login.

To prepare for the new system, all users will have to set up a new way to log in.

● VERY IMPORTANT FIRST STEP

Your old username and password **will NOT WORK** in the new system. All users must now log in with an **email address** and set up a **brand new password**.

Please follow these steps in order. Only move to the next step if the current step fails.

Step 1: Reset Your Password

If your existing account was successfully moved over, this is the quickest way to get started.

1. Go to the app.onlinememberdirectory.com on the website or the new app.
2. On the third page, click "**Forgot Password**" or try [here](#) under the login fields.
3. Enter your email address, the one listed on your directory profile.
4. Check your email for a verification code email. (if you do not get an email with a code check your email for typos.)
5. Enter the verification code and set up your new password.

If you get an **error message that your account cannot be found** after resetting your password, please move on to Step 2.

Step 2: Create a New Account (Sign Up with Email)

If Step 1 did not work, it means the system couldn't find your account. Next, create a new account with your email.

1. Go to app.onlinememberdirectory.com, under the login button click "Don't have an account, sign up by **email**."
2. Enter your email address to create your new account.
3. Enter your code and setup your new login credentials.
4. The system will automatically try to match your new account with your existing membership using your name and email.

If it matches, you will be all set!

If you receive an error, please move on to Step 3 to try signing up with your phone number.
