### CHURCH FAMILY BUDGET

Last year and again this year, our utility bills are killing us. Our SMUD bills are about the same as last year, while our usage is down 7%. Then there is PG&E. Our usage is up, and our bills are way up!!! Here's how you can help. Please turn off the lights if you are the last to leave a sabbath school room or the Fellowship Hall. And now, here is how you can really help!!! Turn off the heat or the air conditioning. In each room, there is a dial on the outer wall--just turn the dial straight up to OFF. Don't wait for the deacons, be proactive and help us save. Thank you.

(Undesignated checks and loose offerings will be credited to the Church Family Budget)
