CHURCH FAMILY BUDGET

Each November and December donations exceed the monthly budget. Taking a five-year average and applying it to the deficit at the end of October, we can expect a budget deficit of approximately \$45,000 at the end of the year. If so, this would be the first time in 21 years that we would not reach our budgeted goal. If you can help now so that we do not have "crunch" time in December, that really would be appreciated. Thanks for your support.

(Undesignated checks and loose offerings will be credited to the Church Family Budget)
