A Working Definition of Wisdom:

*Wisdom is the truth of God's Word applied in the real time situations in every area of our daily lives.*

We gain a heart of wisdom:

- a) Through the fear of the Lord (Prov. 1:7)
- b) By asking God for it (James 1:5)
- c) Through prayer and studying God's Word
- d) From all of life's experiences
- e) Through relationships as iron sharpens iron in daily life.

God establishes the works of our hands:

- a) Individually, as we deliberately live for His glory with eternity in view
- b) Corporately, as we wait on His direction in this time of transition
