3. Why was the Pharisee so proud? Does his speech fit the pride you see in yourself? In the broader world? What would Jesus say to today's Pharisees?
4. No believer is fully like the Pharisee, but how can we fall into some of his pride? What is the cure for pride?
5. The sermon said pride or a sense of superiority causes a host of human problems, including racism, classism, strife in the home and strife at work. Do you agree? How so?
