

The Lord's Day Evening — July 21, 2024

“Biblical Theology of Creation Care”
Dr. Dan Doriani

1. The Problems with Creation: Our Ignorance. Our Carelessness.

2. A Theology of God's Creation – His Vast Universe

- The fine-tuning of the universe – Roger Penrose
- The small structures: There are 40,000 more atoms in one human than there are stars in the universe.
- Yet so many stars! Imagine naming stars.
- The human brain: More connections than stars.
- The joy in creation

3. Creation Care

- Animals Proverbs 12:10
- We can do things.
- It is very tempting to ignore the issues or to despair.
- But there is reason to hope.

4. The Lord will Restore Creation. (Amos 9:13–14, Romans 8:22–23)
