## DISCUSSION QUESTIONS FOR GROUPS:

1. Review commandments 5–10 and explain how each one teaches us how to love our neighbors.
2. How do you define the word or idea of a “Neighbor?”  
How does the Lord describe the term? How does the age of instant global communication make it harder to know who is a neighbor?
3. Explain how we can get into debt by sinning and without sinning.  
What does the Bible say about debt?
4. What is the one debt we always have?
5. Review the three kinds of runner. As a believer, which kind of runner are you?
6. What is the deepest motive for obeying the law? Why do motives for obedience make a difference?
