“Storm at Sea”
Matthew 14:22–33
Dr. Dan Doriani

1. Jesus is separated from His disciples.
2. Jesus is united to His disciples at sea.
3. Peter walks to Jesus – then calls for help.
4. Jesus saves a man of little faith.
5. Thoughts for our community.

DISCUSSION QUESTIONS FOR GROUPS:

1. What do we learn about ourselves in the account of a storm at sea? How are we like the twelve disciples? Are we like Peter in any way?

2. What do we learn about Jesus in these events? Who is he in himself (Hint: He says "It is I.") What do we learn about Jesus as he walks on the waves? As he rescues Peter?

3. Does the Lord want us to dare to try great things?

4. Jesus called Peter a "man [or person] of little faith." In what sense is it OK to have a little faith? How can we grow to strong faith?
