“When Doubts Arise”  
Matthew 11:1-19  
Jim Alexander

- I. Jesus Reassures John as He Struggles with Doubt. (vv. 1-6)
  
- II. Jesus Validates John and Praises Him for His Faith. (vv. 7-14)
  
- III. Jesus Confronts the Crowd, Exposing Their Deepest Need. (vv. 15-19)

Practical Principles to Help Us Today:

- Doubt and faith coexist.
  
- Questioning and doubting are not the same.
  
- Doubt is not necessarily the antithesis of faith.
  
- Taking our doubts to Jesus and listening to His Word will bolster our faith.
