

Easter Sunday – Morning Services of Divine Worship – April 5, 2026

“He is Risen”
John 20:1-10
Dr. Scott Redd

1. Resurrection and the Apostles
2. Resurrection and Mary
3. Resurrection and Hope

DISCUSSION QUESTIONS:

1. Are there ways you are “clinging” to an outdated understanding of Jesus rather than embracing the fullness of His risen Lordship?
2. How does the resurrection affect your gospel hope? How does the resurrection reshape your understanding of grief, loss, or disappointment?
3. What does it mean for you personally that Jesus calls His followers “brothers” and shares His relationship with the Father?
