“The Meaning of Life”

Deuteronomy 5:17

Dr. Scott Redd

1. The Source of Life

2. The Value of Life

3. The Goal of Life

DISCUSSION QUESTIONS:

1. How does Jesus' teaching in Matthew 5:21–26 deepen the Sixth Commandment beyond the physical act of murder?
2. In what ways can anger, contempt, bitterness, or careless words diminish the life and dignity of another person?
3. Since the commandment calls us not only to preserve life but also to promote our neighbor's good, where is God calling you to protect, encourage, or care for someone?
4. How does Christ's mercy toward us free us to repent, forgive others, pursue reconciliation, and become peacemakers?
