“The Lord Who Reigns”

Psalm 93

Dr. Scott Redd

1. The Lord Reigns (The Extent of Divine Authority, 93:1–2)

2. The Lord Rules (The Effect of Divine Power, 93:3–4)

3. The Lord Reveals (The Embrace of Divine Presence, 93:5)

## DISCUSSION QUESTIONS:

1. What does the declaration “The LORD reigns” teach us about God’s authority over the world and the circumstances of our lives?
2. What “floods” currently see and feel in the world around you? How does verse 4 change the way you see them?
3. Why does Psalm 93 connect God’s sovereign power with the trustworthiness of His Word and the holiness of His people?
4. How does Jesus’ authority over the storm in Mark 4:35–41 reveal Him as the reigning Lord and encourage us to trust Him amid chaos?
