

Thesis: God's people are to make God's word a real and prominent part of their lives, not only to have it in their hearts, but also to pass it on to the next generation by making it a part of their daily discussion. It is to be an obvious part of their reality. The goal is to raise children of faith.

INTRODUCTION:

What's one important thing you learned from your mom, dad, or guardian that you will never forget?

DISCUSSION QUESTIONS:

Q1. Teach Them: In what ways can believers gain a better understanding of biblical instruction? How can we raise children (or those we are discipling) with biblical instruction?

Q2. Show Them: Who has been a great biblical example for you? What are some ways we can set a biblical example for our children (or those we are discipling)?

Q3. Equip Them: Why is having a biblical worldview important for believers? What are some ways we can help our children (or those we are discipling) make decisions that are founded in God's Word?

PRAYER ITEMS:

- Praise God for His word.
- Pray for opportune times to teach those you lead biblical instruction.
- Pray that we would model a biblical example to those we lead.
- Pray for wisdom and diligence in establishing healthy habits within the home.

DISCIPLESHIP IDEA:

Invite a neighbor where you live, work, study, play, or worship to join you at the Good Friday and Resurrection Sunday services.
