

JOHN 11:45-57

LOOKING FOR JESUS

3 RESPONSES TO JESUS

HATERS

- There are 2 kinds of people in the world: people who do things and people who criticize those who do things. Jesus was doing things and that resulted in people who hated Him for what He was doing.
- One of the greatest draws to Jesus is a transformed life. But sometimes those drawn are not supportive.

LOVERS

- John 11:45 - "many....believed in Him". While some will look for Jesus for all the wrong reasons, some will look for the right reasons.
- In Chapter 12, Martha, Lazarus, and Mary are great examples of those who Love Jesus.

USERS

- Some people look for Jesus because of what He can do for them.
