## HERE & NOW IN THE CHURCH

### ENDURE HERE & NOW

- John says he is our partner in tribulation. The Bible teaches it's not if we suffer, but rather when we suffer. What tribulation(s) have you had to endure? What are you currently enduring?
- What brings you encouragement to endure during trials? How does knowing John is our partner in tribulation bring encouragement?
- Jesus' Kingdom Here & Now doesn't mean life will be free of trouble, how does knowing this prepare us for life in the Kingdom?

### WORSHIP HERE & NOW

- What is the difference between public + private worship? Why do we need both?
- How can we demonstrate physically what we believe theologically?

### SERVE HERE & NOW

- Are you serving Jesus + His Church? If so, where and how?
- What are your spiritual gifts and how are you exercising them?
- How is our church doing? Where are we strong? Where do we need to grow? Stop and pray thanking God for what He has done and ask Him to do exceedingly abundantly more in and through us.
- Discuss the difference between a critic + a servant.

### FEAR NOT HERE & NOW

- When, where and who are you tempted to fear?
- What does Jesus promise that eases our fears?
- How does Jesus' presence bring peace?
