

# JOHN 1:1-5

## JESUS IS

### JESUS IS GOD

---

- Read John 1:1 and John 1:14. Every time you see the word "Word," circle it and discuss what it means in context.
- Why is understanding that Jesus is God a non-negotiable doctrine?
- What words come to mind when you think about Jesus? Make a list and discuss who Jesus is and why He deserves all our worship?

### JESUS IS LIFE

---

- Read John 1:2-4a and Colossians 1:16-19. What does it mean that Jesus was with God in the beginning and that all things are created by Him, through Him, and for Him?
- Life is a major theme in John's Gospel. What does it mean that "in Him" was life and why is life attributed to Jesus?
- Talk about how Jesus has personally brought you life (be as specific as you can)?

### JESUS IS LIGHT

---

- Read John 1:4b-5. Talk about how life and light are connected exclusively in Jesus.
- What does John mean when he says, "the life (Jesus) was the light of mankind?"
- How does knowing that the darkness of the world can never overcome the light of Jesus encourage you and give you peace/confidence (e.g. John 16:33; 1 John 5:4-5)?
