

# ROMANS 12:3-5

## TEAM JESUS

*Big Idea: God designed every Christian with a purpose and a place on Team Jesus. The Holy Spirit gifts believers for ministry so that the church functions like a healthy body, working together in unity, humility, and service.*

What is one team, organization, or group you've been part of where you clearly knew your role?

Have you ever felt restless or unfulfilled because you knew you weren't doing what you were created to do?

### THE DANGER OF PRIDE + COMPARISON (Romans 12:3a)

- Why is pride dangerous when it comes to Spiritual Gifts?
- Which is more difficult for you thinking too highly of yourself, or comparing yourself to others?

### MINISTRY IS GOING TO WORK WITH YOUR FATHER (Romans 12:3b)

- Why is it important to remember God does not need us but invites us?
- How does serving deepen our relationship with God?

### EVERYONE HAS A POSITION ON TEAM JESUS (Romans 12:4)

- Why do many Christians prefer being "fans" instead of "players"?
- What fears or insecurities keep people from serving?
- Where are you currently serving? If you aren't, what may be holding you back?

### THE CHURCH IS TO FUNCTION LIKE A BODY (Romans 12:5)

- What happens when one body part stops functioning?
- Why is unity so essential in a healthy church?
- What would our church lose if everyone served exactly like you?
