## LEVITICUS 10-18 STUDY GUIDE

### Leviticus 10

1. Explain the story in Leviticus 10 of Nadab and Abihu: Who they were, what they did, what tribe were they from, and what happened to them. They were priests, they offered strange incense before the LORD which God had not required, they were from the tribe of Levi, God killed them with fire.
2. Why was God's response to Nadab and Abihu so severe? God's response emphasized the seriousness of approaching Him in a way that disregards His holiness and commandments. Their disobedience showed irreverence in a holy setting.

### Leviticus 11

3. Land animals are considered clean if they both chew the cud and have split hooves. Animals lacking one of these characteristics are deemed unclean.
4. What are four explanations why animals were deemed clean and unclean.  
1. Arbitrary – Only God knows why and was a test of obedience. 2. Cultic explanation – Animals designated by pagans for cultic sacrifices or associated with certain deities. 3. Hygienic – Unclean animals were carriers of disease, and clean weren't. 4. Symbolic – The clean animals portrayed how the Israelites were to behave and unclean contrariwise.

### Leviticus 12
