

## Jehovah Raah - Psalm 23

**Verse 1** *"I shall not be in want."* There are two possible meanings:

- 1) \_\_\_\_\_.
- 2) \_\_\_\_\_.

**Verse 2** *"He makes me...He leads me..."*

God has \_\_\_\_\_ control over my life. He is going to \_\_\_\_\_ me, and He is \_\_\_\_\_ me.

**Verse 3a** *"He restores my soul."* He brings our \_\_\_\_\_ back to \_\_\_\_\_.

**Verse 3b** *"...paths of righteousness for His name's sake."* God's path of righteousness never goes through \_\_\_\_\_ of sin.

**Verse 4a** *"...the valley of the shadow of death..."* This is the story of \_\_\_\_\_.

**Verse 4b** *"Your rod and Your staff, they comfort me."* God teaches us to be secure in His \_\_\_\_\_ and \_\_\_\_\_.

**Verse 5** *"You prepare a table...You anoint my head my cup overflows."*

God gives us \_\_\_\_\_, and He gives more \_\_\_\_\_ than I can \_\_\_\_\_ on my own!

**Verse 6** *"...goodness and mercy shall follow me..."*

Think about what is coming from \_\_\_\_\_ you.

The context teaches us that what David teaches about the Shepherd is more for \_\_\_\_\_ than it was for \_\_\_\_\_.
