

Hero

Ehud

Lesson

Judges 3:12-30

Ehud, the left-handed man, was used by God to defeat King Eglon. Because Ehud was different, he was probably the least expected to do so. He made it in to the palace and went straight to the king, saying that he had to deliver a message. When he got to the king, he drew his sword from his right thigh and defeated the king.

Big Idea
