

Make it stick

This page will help you remind you of this week's lesson. We hope that you will use it for discussion and connection throughout the week!

Lesson Overview

Most of us like to win and that's not a bad thing. In fact, the Bible even talks about winning. But the Bible doesn't define winning the way we do. The apostle Paul talks about stepping into other people's world, so that he could win them - so that they would be saved. In the big picture, winning is all about eternity. Paul also says that he runs to get the prize, but it's not an earthly prize.

The Big Idea

We win with God when we follow Him!

Bible Lesson

Corinthians 9:19-23

Philippians 3:14

Paul talks about winning others to Jesus by getting into their world. He said that he found common ground with them, so that he could "win" them. Paul said that he became all things to all people, all because he wanted to introduce them to Jesus! Paul also talked about keeping his eye on the goal and staying faithful and strong to get the prize.

Memory Verse

"...I have become all things to all people, that by all means I might save some." 1 Corinthians 9:22b
