

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Under Construction Lesson 7

THIS WEEK'S LESSON: RIGHT ON SCHEDULE

IN THE CAR:

Ask your child what they learned about this week on the drive home:

Everyone hopes to hear from their builder that construction is “right on schedule.”

Sometimes we might get discouraged, thinking we are too weak or that we are not good enough. We must remember that when we follow Jesus, God goes to work inside us.

God is building something good and amazing in us. Romans 8:26-39, More Than Conquerors

HANGING OUT:

Make this week's lesson real:

Talk to your kids about the schedules and deadlines you have to keep, from the kids' sports schedules to paying the monthly bills. Talk with them about why it's important to make those deadlines. Ask your kids how they can know God is working in them even when they feel like giving up.

AT DINNER:

Here are some great discussion starters:

- How do we know God is still working in us when we feel weak?
- Can anything separate us from God's love?
- What can we do daily to keep growing our faith?

AT BEDTIME:

Quiz your child on this week's memory verse:

“If the Lord doesn't build a house, the work of the builders is useless.” Psalm 127:1a (NirV)

PARENT TIME:

What you need to know:

There are times we all feel discouraged. We wonder if God still cares, and we may even wonder if we are still saved. Nothing can separate us from God's love. Nothing will stop Him from loving us.
