

MAKE IT STICK

4 Simple Ways You Can Make This Lesson Stick With your Kids

Building Blocks Preschool Lesson 4

THIS WEEK'S LESSON: GOD MADE ME SPECIAL

Use these four common times in a preschooler's day to reinforce this week's lesson:

DRIVING:

Talk about your car, and all of the special parts that make it up – engine, seats, door, steering wheel. Remind them that our bodies are made up of many different parts. God's people – The body of Christ – is also made up of different parts, the many people who love and follow God.

PLAYING:

Get out the building blocks and build a person. Talk about the parts of the body and the special job that each of them do.

EATING:

During your mealtime prayer, thank God for making your little ones special. During the meal, encourage them by listing some of the traits and talents that make them special.

SNUGGLING:

Hold your little ones close and let them know how special they are. Thank them for something special they did for you or someone else during that day.

BUILDING

CRAFT

ITEMS NEEDED: White paper, crayons, glue sticks, safety scissors

ADVANCED PREPARATION: Print the included PDF of blank faces and parts so that each child will have their own page.

DIRECTIONS: Give each child the full page of blank faces and facial features and let them color the parts they want to use. Then cut out the parts they choose to color, with adult help, glue the features onto the blank face.
