

4 FUN WAYS TO HELP YOUR CHILD MEMORIZE SCRIPTURE

1

PUT IT TO MUSIC

You can use existing songs or make up your own but music is not only a fun way to learn but it is an important part of child development.

2

SAY IT AGAIN

Have your kids repeat the verse in different types of voices (i.e. high voice, low voice, loud voice, soft voice, baby voice, old lady voice, etc.).

3

MAKE UP HAND MOTIONS

Hand motions to go with the words of the memory verse are an excellent way to help your child remember. Can't think of any? Let the kids help!

4

GET CRAZY

Write funny directives (hold your tongue, spin in circles, etc.) on index cards. Choose a card and say the verse while doing what the card says.
