“[Believers] should prepare themselves for a life that is hard, laborious, troubled, and full of many and various kinds of evil. Having begun this way with Christ, His only-begotten Son, He continues similarly with all His children.”

“Without true Christians loving one another, Christ says the world cannot be expected to listen, even when we give proper answers. Let us be careful, indeed, to spend a lifetime studying to give honest answers. But after we have done our best to communicate to a lost world, still we must never forget that the final apologetic which Jesus gives is the observable love of true Christians for true Christians.”
