Why Prophecy Matters

June 7, 2026

The study of Revelation is important for several reasons.

Revelation is theologically thick. Revelation unveils the total depravity of man.

Revelation has a great deal to say about angels and demons. Revelation is the only book of the Bible that contains a special blessing.

I. Here Are Some Keys to Interpreting Revelation.

Without question, the book of Revelation may be the most neglected book in the Bible.

Revelation must be interpreted like all the other books literally.

The proper method of interpreting the symbols is to remember they refer to something literal.

Revelation is filled with numbers.

To neglect Revelation and Bible prophecy is to neglect 25–30% of all Scripture.

II. Jesus Promised That He Was Going to Return to This Earth.

John 14:1 – 3, Acts 1:9 – 11

Prophecy Timeline

III. What are some of the signs of the times that tell us Christ could come back at any moment?

Remember two warnings – not every world event is a sign. 2nd we must be careful not to set dates. Matthew 24:36, Romans 13:11

All prophetic experts agree that the most critical sign of Jesus 2nd coming was what?

Matthew 24:1 – 3, 32 – 35
