

Who Do You Trust This Easter?

April 5, 2026

Everything You Do in Life Involves Trust.

The real question is not whether you live by trust; the real question is, what are you trusting in when you die?

What exactly do I mean by trust? Trust is a decision to place your life, your eternity, and your deepest needs into the hands of someone you believe is both able and willing to save you.

I. How do I know that Jesus Christ was actually God?

1 Corinthians 15:3 – 6, 12 – 14

The evidence for the resurrection is overwhelming.

If the resurrection is true, how does that affect my life today?

II. Because the resurrection is true, you can count on God's promises to you.

2 Corinthians 5:15

Forgiveness of sin removes the number one destroyer of personal happiness, guilt.

Ephesians 1:7 When Jesus comes into your life, he gives you freedom from all the things that enslave you.

God wants to set you free from guilt and worry about 2 things.

1st the fear of death. 1 John 5:13

John 11:25 – 26

2nd thing people worry about is earning God's approval. Hebrews 7:18 – 19

Jesus death on the cross can set you free from guilt, worry, and 3rd living without purpose.

What do you believe is God's purpose for your life?

Remember, you don't go to heaven because you understand everything. You go to heaven because you trust the one who proved everything.
