6 LIES OUR CHILDREN

ARE BEING TAUGHT: Part 3

Proverbs 27:12

Ecclesiastes 7:25

Why is this so important? 2nd Corinthians 11:3

#1 Lie – Truth is what I feel is true.

#2 Lie – When in doubt, always follow your heart.

Jeremiah 17:9

#3 Lie – Love is affirming everything I feel.

#4 Lie – Faith is the opposite of knowledge.

#5 Lie- Humans are the product of blind evolution.

There is nothing more foundational to a person's faith then to believe the Genesis account of creation. Evolution destroys a person's value and purpose.

But knowing God created me in His image helps me to know Jeremiah 29:11 is true.

How can we teach children there is intelligent design behind creation?

Psalms 139:13-17

Romans 1:18-20

#6 Lie – A Good God would not judge.

Children are being taught in school that they should not make moral judgments.

What kind of judgments did Jesus tell us not to make?

We are to make judgments based upon objective truth.

John 7:24

Jesus evaluates every church on what they believe and do.

Revelation 2-3

There are only 2 types of churches in America. Woke churches and New Testament churches.

Paul's warning to all pastors.

2nd Timothy 2:15-19, 23-26
