

# “Our Great Reset and God’s Agenda ‘21” Romans 12:1-2

Normally we would be giving you a prophecy update on the first Sunday of the year but since the last year has not been very prophetically significant we will just do a regular teaching.

With all tongue and cheek aside, I do want to draw our attention to where we are on God’s time table and what we should be expecting over the next year.

As I look back to January 2020, the year that I had viewed ahead did not turn out the way that I expected as all of us would agree. I stood before this church and gave an update entitled “Are you ready?” Of course, I was referring to the rapture of the church. Never in my mind did I think that we would be ready for what has happened over this last year. As I reviewed my notes I saw that the focus was on the usual items; the rebuilding of the temple, the coming Ezekiel war, Earthquakes and the like. I did make a quick reference to the Flu season getting worse every year. This year there was a paradigm shift. The prophetic significance of this last year is not what is to come but what has already happened. We are now entering a time that we all knew was coming but never expected it to come as it has. A lot has happened but it all was leading to one important item.

## **First, I need to make a couple of disclaimers:**

**COVID-19** – During the course of this message I will be referring to the pandemic and I want to let you know that I am **NOT saying that Coronavirus is a hoax**. I am in no ways trying to demean it our say that it is not a real threat to people and that we should ignore it. I know someone personally that has died from complications of Covid-19 and there are many others that I know, and know of, that have suffered from it. If you are in the “hoax” camp, I can tell you that your view of it will change when you either catch it or have someone you know suffer through it.

**Politics** – You cannot talk about prophecy and the coming one world government without mentioning politics. The Antichrist will be a political figure. I am not espousing a partisan platform here, just laying out the way things are. I am sure I will find a way to offend both sides so just bear with me.

So, as I mentioned that 2020 started off like a normal year. Never in my mind did I think that there was already a sinister plan being devised to bring the world to where it is today. What has happened in 2020 has brought the whole world to a place of no return. A place predicted in the word of God. One that will affect each of us personally in 2021.

Before I lay out the timeline of events that have the most prophetic significance for where we are right now I need to clear up a few misperceptions you may have. Especially if you are an unbeliever or on the fence. Maybe you are new to Christianity and still have some of the world in your thinking.

First, there is global cabal that is trying to take over the world. Sound's sinister right? That's because it is! Ever since the fall of man, man has tried to rule without God. From Nimrod to Hitler, Satan has had his guy ready. The push is real and has always been around. Ever since before WW I, (the first industrial revolution) there has been a group of globalist elites that have been pushing to control the world. We have seen it in the formation of many groups like; the United Nations, the Council of Foreign Relations, The Bilderberger Group and more recently the World Economic Forum, which we will talk about in a minute.

Second, the misconception that has permeated modern Christianity that man is basically good. That Christ just makes us better. This is nothing more than heresy. The idea that mankind just needs a little more help will give you a false worldview. Thinking that unregenerate people are full of good intentions is not only wrong but unbiblical.

Jesus was approached by what the world would think was great guy full of "good intentions". We read about him in Mark 10:17-18:

"Now as He was going out on the road, one came running, knelt before Him, and asked Him, "Good Teacher, what shall I do that I may inherit eternal life?" 18 So Jesus said to him, "Why do you call Me good? **No one is good but One, that is, God.**"

Repeated three times in the Old and New Testaments we are told plainly that:

“There is none righteous, no, not one;

11 There is none who understands;

There is none who seeks after God.

12 They have all turned aside;

They have together become unprofitable;

There is none who does good, no, not one.”

13 “Their throat is an open tomb;

With their tongues they have practiced deceit”;

“The poison of asps is under their lips”;

14 “Whose mouth is full of cursing and bitterness.”

15 “Their feet are swift to shed blood;

16 Destruction and misery are in their ways;

17 And the way of peace they have not known.”

18 “There is no fear of God before their eyes.”

### **Think of many of you before Christ.**

In order for us to fully comprehend bible prophecy we must approach it with the right world view. If not, it will not make sense and will seem like just a whole bunch of conspiracies. There is a lot of false teaching and hype in the prophecy world. We should never allow that to keep us from looking at and understanding what is happening and how it fits into the times we are living in.

**Prophecy is important!** We have just celebrated Christmas and the birth of Christ is the literal fulfillment of over 300 Old Testament prophecies. The return of Christ is near and it will consist of many prophecies to be fulfilled literally.

So, with that set and the disclaimers mentioned and with a right worldview let's begin with a series of events that are leading up to what we will see in the near future.

Our country has, for the most part, been leading the way to globalism. Most of our presidents that we had over the last 30 years are in one way or another connected to the global elites. Most of the developments are done without much fanfare and without most people's common knowledge.

The most common trait in these global elites is that they vision a world without God, or more importantly, a world without the God of the bible. A grand utopia where man has reached a point of self-rule. This is a deception and the spirit of Antichrist.

Also, it should not surprise us that these global elites are using deception and lies to bring about their plan. The future Antichrist will do the same.

Daniel 8:23-25:

“And in the latter time of their (The global elites one world government) kingdom,

When the transgressors have reached their fullness,

A king shall arise,

Having fierce features,

Who understands sinister schemes.

24 His power shall be mighty, but not by his own power;

He shall destroy fearfully,

And shall prosper and thrive;

He shall destroy the mighty, and also the holy people.

25 “Through his cunning

He shall cause deceit to prosper under his rule;

And he shall exalt himself in his heart.

He shall destroy many in their prosperity.

He shall even rise against the Prince of princes;

But he shall be broken without human means.

And in 2 Thessalonians 2:9-12:

The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, 10 and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they

might be saved. 11 And for this reason God will send them strong delusion, that they should believe the lie, 12 that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.

Whether you want to believe it or not these global elites are being controlled by Satan himself. Many of them have been and are involved in the occult. **Secret societies that worship the Devil.** Some of them don't hide it and will become more open about it as we move closer to the time of the seven-year tribulation.

These global elites have names like; George Soros, Bill and Melinda Gates, Bill and Hilary Clinton, The Rockefeller family, Anthony Fauci and the CEO of the World Economic Forum, Klaus Schwab. There are many others, but you get the picture.

These folks will get in front of cameras and swear they have your best interest in mind but their interests are not influenced by God and His word. It doesn't take much of an imagination to figure out that if you are not influenced by God, who are you influenced by? What does the bible say?

**1 John 5:19 "We know that we are of God, and the whole world lies under the sway of the wicked one."**

John is referring to the world system. A system that is run by Satan himself.

**With that said here is where we are:**

In 2015 then President Barak Obama and other globalists devised a thing called the "Trans Pacific Partnership" or TPP. A plan so sinister that it was locked in the basement of Capitol Hill and only certain people were allowed to view it. It was being sold on the surface to be just a trade agreement between nations to offset the rising economy of China. Nobody really knew what the underlying truths about this and what it would do to us as a country. If implemented, it would have put us under a list of rules that would have offset our constitutional rights. Freedom of religion would only be allowed if it is was all inclusive. If you spoke against homosexuality you would be breaking its laws and could be tried under its law. It would have it's own form of government and all trade partners would have to follow its rules. It was left locked up until its sure passage by our congress. They

were just waiting for their person to get in. That person was to be Hilary Clinton. Say what you want about her but she and her husband are globalist elites and not your friend. (Remember when she called us conservative Christians deplorables?)

Well what happened in 2016? The globalists world was rocked when Trump became president. Most of us were shocked. I did not believe he would win. I had already known that the government was corrupt and headed toward globalism. We saw our freedoms being eroded away and we were prepared for the coming persecution.

Many of us saw the Trump Presidency as an answer to our prayers. That the freedoms we enjoy to share our faith would continue. But, some of us thought that this would continue on forever. The thing is that as soon as Donald Trump took office he started a battle that could never be won. There are those, even in the church, that think that Trump would be the one that would “Drain the Swamp” once and for all. Many started to follow the “Q” crowd and had self-proclaimed prophecies of a USA that was cleaned up of all corruption and ruled again the way it’s founding fathers intended it to be. (I told you this would offend everyone!)

Well we know the last four years have been one thing or another to get him out of office. And why is that? His character? His mean tweets? Name calling? NO. He is not a globalist. He would not go along with their plan as every other president has. Love him or hate him this is just a fact.

### **How the globalists got us to where we are now.**

Every time we have a crisis of some kind they use it to their advantage. It has one common denominator...fear.

We know in that the one thing that is said about man right before and during the tribulation is found in Luke 21:26 “men’s hearts failing them from fear and the expectation of those things which are coming on the earth”

What are some of the things they have used.

9/11...terrorism

Agenda 21...Global Warming or now called climate change

And now...pandemics.

Believe it or not the time we are in is not an event that they are taking advantage of but a time that THEY CREATED!

**HOW???**

By a sequence of events that they are trying to say are just coincidences.

It started long before October 2019 but we have proof of the plan because of what they did. It was called "Event 201" you can look it up yourself. They are not hiding it. This was a global "war game" of the before mentioned globalists and the WHO (a UN entity that are globalists in their character) where they devised a Coronavirus outbreak on the world and what governments would need to do to contain it. Of course, everything that they came up with is what they are doing now.

Fast forward a couple of months later we are told of a new Coronavirus strain that is affecting the Wuhan area of China. We are told that it started from bats purchased in a wet market that is only 100 yards away from the Wuhan Institute of Virology where the list of people that were involved with Event 201 are invested in and had people there. And, what were they doing? Research on coronaviruses in bats. Coincidence, right?

Then we see the Chinese government purposely destroy all evidence from this area and close off this district to its own country while leaving it open to the rest of this world. This caused the virus to spread...**on purpose!**

**Why?** A combination of China wanting to be the leader in the coming one world government and the threat that any trade deal that Trump was forcing on them would do to this goal. (Countries are competing on who will be the leader)

Fast forward a few more months and the globalist now have their crisis they need. **People are conditioned enough through fear** of the virus that any idea they have will be welcomed. This is what is known as **the great reset**. It is not a conspiracy. You can go and look it up yourself.

As I mentioned before the World Economic Forum is headed by Klaus Schwab. You are probably familiar with a yearly event called Davos. This is an annual meeting where all the rich global elites meet and discuss ways to unite the worlds economies and plan for the future one world government. It is this group that I believe where this whole **plandemic** was concocted.

The time could not be more perfect for them. The stage could not be better set. It is the convergence of several things that will use this pandemic to push them forward to the point of no return.

It was Klaus Schwab that penned the term “The Fourth Industrial Revolution”. It is also called the “New Electricity” The development of Artificial Intelligence.

China's using it and the world is giving itself over to it

So what will we see as this unfolds? A Joe Biden Presidency is just what they need. Kamala Harris's original Campaign was partly funded by George Soros. They are both globalists. (Sorry, it is the truth!)

This means that something like the TPP will be back on the table. They will use this pandemic as an excuse. It will happen. President Biden will go to Davos this year and throw his hat in the ring to the Great Reset. This will be the beginning of the formation of the One World Government. It will come. It is part of God's plan. We have told you it is coming and **now it is here.**

What will that mean for the Born-Again Christian in 2021? What can we expect as these events unfold?

Just what the bible says!

The first thing that Jesus told His Disciples when they asked about the times we are living in is:

**“Take heed that no one deceives you”**

This is found in Matt 24:4, Mark 13:5 and Luke 21:8. If we need to be told three times it means we better **“Take Heed!”**

Don't allow the deception of the world give you a false narrative.

These things will come to pass.

**Things will NOT return to normal!**

So, what do we do?

Romans 12:1-2 tells us plainly. (Read from Bible)

It worked for them living in dystopian world, it will work for us.

The world is heading back to Rome. All roads of history lead to it. It has been told to us so when it does come to pass we are not to worry.

So, remember to allow the Word of God to conform your world view and understand that Satan has his plan but you and I are in God's plan. His plan has an end, ours does not.

Whose voice are you going to listen to in 2021? The Media? The Government? The so-called health experts? Not me! I am going to listen to God.

Let us do so together as a church! Keeping our eyes on what is going on but looking at it through the lens of scripture.

Gospel and introduction to Communion.
