

New Year's Eve 2023

Stand and open your bibles to 1 Thessalonians 5:1-11

When you search Adobe stock photos for an image of “New World Order” this is one of the top photos that you get and is the epidemic of what the world will say about it. It is still considered a “Conspiracy Theory” to the world of Google even after three years of it coming out of the mouths of every single luciferian global leader. Are we just a bunch of crazy basket heads like this picture shows? Let us review what we know of the last year and ask ourselves this question again.

<https://asia.nikkei.com/Politics/International-relations/Indo-Pacific/Trilateral-Commission-calls-2023-Year-One-of-new-world-order>

Trilateral Commission calls 2023 'Year One' of new world order

As retired foreign ministers, ambassadors, CEOs, bankers and academics gathered at the secretive Trilateral Commission's first global plenary meeting in India, perhaps the most influential individual sat quietly off to the side, listening.

The speaker, who cannot be identified according to commission rules, went on: "Three decades of globalization -- defined as integrated, free-market based and deflationary -- has been replaced by what will be a multidecade period of globalization defined as fragmented, not-free-market-based but industrial-

policy based and structurally inflationary. This year, 2023, is Year One of this new global order."

That means that 2024 will be year 2. I * am sure that Henry Kissinger was happy to live long enough to see his luciferian plan unfold.

In this year one that they mention what are some evidences of this and what * can we learn moving into 2024? Let's review them by subject and look at the headlines and see if year one was a success for them, and how we might get an idea of how year two will go.

The AI Invasion

Just in time for Christmas last year was ChatGPT

ChatGPT is an artificial intelligence (AI) chatbot that uses natural language processing to create humanlike conversational dialogue. The language model can respond to questions and compose various written content, including articles, social media posts, essays, code and emails.

ChatGPT is a form of generative AI -- a tool that lets users enter prompts to receive humanlike images, text or videos that are created by AI.

15 He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed.

Coming In 2024 - USA Will Give Reins To WHO Global Health Authority

Fact-checking articles state that the Zero Draft says nothing about lockdowns, and so we have nothing to worry about. However, Article 21 of the WHO Constitution states that the Assembly can adopt resolutions on member states unless they expressly opt-out.

Their areas of enforcement include 1) sanitary and quarantine requirements for preventing the international spread of disease; 2) nomenclatures of diseases, causes of death, and public health practices; 3) standards for diagnostic procedures aimed at an international use; 4) standards ascertaining the safety, purity, and potency of biological, pharmaceutical and similar products in international trade; and 5) advertising and labeling of biological, pharmaceutical and similar products in international trade.

Number one sounds an awful lot like lockdowns to me.

30 Months Since the Jan. 6 Attack on the Capitol

Thursday, July 6, 2023, marks 30 months since the attack on the U.S. Capitol that disrupted a joint session of the U.S. Congress in the process of affirming the presidential election results. The government continues to investigate losses that resulted from the breach of the Capitol, including damage to the Capitol building and grounds, both inside and outside the building. As of October 14, 2022, the approximate losses suffered as a result of the siege at the Capitol totaled \$2,881,360.20. That amount reflects, among other things, damage to the Capitol building and grounds and certain costs borne by the U.S. Capitol Police.

Under the continued leadership of the U.S. Attorney's Office for the District of Columbia and the FBI's Washington Field Office, the investigation and prosecution of those responsible for the attack continues to move forward at an unprecedented speed and scale. The Department of Justice's resolve to hold accountable those who committed crimes on January 6, 2021, has not, and will not, wane.

Christians Turn on Republicans Over Abortion

Some Christians in Ohio have appeared to turn on Republicans following a vote relating to abortion access in the state.

On Tuesday, voters in Ohio submitted their ballots for a vote on the Issue 1 proposed amendment, which established an "individual right to one's own reproductive medical treatment including but not limited to abortion" in the state.

A majority of voters had approved the amendment by Tuesday night, with the Associated Press calling the race with 56 percent in favor and 44 percent in opposition. In Ohio, United Methodist Church and Community Development for All People Deaconess Katelin Hansen told Newsweek on Wednesday that she was "thrilled with the results of yesterday's Issue 1 ballot initiative."

An exit poll conducted by The Washington Post found that 24 percent of "White evangelical or born-again Christians" voted in favor of the Issue 1 amendment.

Then October 7th happens

<https://www.idf.il/en/mini-sites/hamas-israel-war-23/all-articles/what-happened-in-the-october-7th-massacre/>

On October 7th, 2023, thousands of armed Hamas terrorists tore down large parts of the Gaza security fence using tractors, RPGs and explosives and invaded southern Israel. Simultaneously, Hamas terrorists in Gaza fired thousands of rockets toward Israel.

Some 1,500 terrorists successfully broke through the fence in vehicles and by foot. Some used motorized paragliders to fly over the fence, and others attempted to invade through the sea, aiming for Israel's Zikim Beach.

The terrorists split up and made their way to a number of Israeli towns and IDF bases surrounding Gaza. That is when the massacre began. They invaded the towns, shooting everything in sight. They broke into civilian homes, shooting, burning, raping and beheading. Over 1,300 civilians were murdered, and over 200 were abducted. Hamas terrorists briefly took control of about 10 Israeli towns, terrorizing and brutalizing their residents.

In a demonstration of global cooperation, negotiators from nearly 200 countries for the first time recognized the need to transition away from fossil fuels. "Whilst we didn't turn the page on the fossil fuel era in Dubai, this outcome is the beginning of the end,"

said UN Climate Change Executive Secretary Simon Stiell in his closing speech. UN chief António Guterres emphasized that the era of fossil fuels must end with justice and equity. “Developing countries must be supported every step of the way,” he said in his statement on the closing of COP28.

2023 Was The Nation's Least Expansive White Christmas In 20 Years

<https://www.state.gov/policy-issues/climate-crisis/>

Bold action to tackle the climate crisis is more urgent than ever. The record-breaking heat, floods, storms, drought, and wildfires devastating communities around the world underscore the grave risks we already face. Through our actions at home and our

leadership abroad, the United States is doing its part to build a net zero-emission, resilient future that creates good jobs and ensures a healthy, livable planet for generations to come.

Genesis 8:22

“While the earth remains, seedtime and harvest, cold and heat, winter and summer, and day and night shall not cease.”

Luke 21:25-26

And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring; men’s hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken.

So * back where we started with the statement from the Luciferian Elites who are not hiding what they are planning...what will year two bring?

They have a kingdom coming but it will be short lived.

Psalm 2:1-3

Why do the nations rage, and the people plot a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the Lord and against His Anointed, saying, “Let us break Their bonds in pieces and cast away Their cords from us.”

What is the response from God?

Psalm 2:4

He who sits in the heavens shall laugh

Let's be reminded again of the promise we read when we started...

1 Thessalonians 5:9

For God did not appoint us to wrath (The Seven Year Tribulation), but to obtain salvation (Lit. Deliverance – the Rapture) through our Lord Jesus Christ.

There is a kingdom coming but not the one they think. Let us remind ourselves going into 2024 what will happen to those in control now...

Daniel 2:44-45

And in the days of these kings the God of heaven will set up a kingdom which shall never be destroyed... it shall break in pieces and consume all these kingdoms, and it shall stand forever. Inasmuch as you saw that the stone was cut out of the mountain without hands, and that it broke in pieces the iron, the bronze, the clay, the silver, and the gold—the great God has made known to the king what will come to pass after this. The dream is certain, and its interpretation is sure.

No matter what the year has in store we will continue to stay on the right side of history. We will make our voice heard. We will speak the truth. We will point out the evil. We will be the restraining force needed to hold back their plans. We will keep

our eyes on Jesus and when it is all said and done, we, like Paul will be able to say...

2 Timothy 4:7-8

I have fought the good fight, I have finished the race, I have kept the faith. Finally, there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will give to me on that Day, and not to me only but also to all who have loved His appearing.

What about you? Are you ready to run for the hills? Are you going to live in fear? Are you going to let them win? Maybe you are thinking to just give up?

Let's close with what Jesus told us to regarding these days...

Luke 21:34-35

“But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come on you unexpectedly. For it will come as a snare on all those who dwell on the face of the whole earth.”

Luke 21:36

“Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man.”

Who is worthy?

Revelation 5:2-5

“Who is worthy to open the scroll and to loose its seals?” And no one in heaven or on the earth or under the earth was able to open the scroll, or to look at it.

So I wept much, because no one was found worthy to open and read the scroll, or to look at it. 5 But one of the elders said to me...

“Do not weep. Behold, the Lion of the tribe of Judah, the Root of David, has prevailed to open the scroll and to loose its seven seals.”

Be * one of those that have put their faith and trust in the finished work of Jesus on the cross. Our worth does not come from our works. It does not come from our abilities. It does not come from our pedigree. It can only come from a personal relationship with Jesus Christ Himself. Do not go into this year without knowing Him.

Maranatha!
