

House Church in Iran

APRIL 28-29, 2025 5-FOLD GLOBAL MIDDLE EAST SEMINAR

House Church Development & Disciple Making

Christians in the Middle Eastern nations are highly persecuted for their faith. However, the New Testament pattern for house-to-house ministry is expanding today in this environment through the power of the Holy Spirit. One of our new 5-Fold Global Middle Eastern partners has over 60 house churches in three nations. This 2-day seminar will help equip and empower young leaders to further expand this strategic house church network throughout the Middle East. Pray for each leader to be filled with the Holy Spirit and Fire. Intercede for this strategic assignment for the 5-Fold Global teaching team from three nations: Dr. Samuel Isong (Nigeria), Pastor Shajet Thomas (India), and Dr. Michael Gross (USA). Pray for God's travel protection and provision to secretly assemble and feed 100 young leaders to receive the impartation of the Holy Spirit and this valuable training. Prayerfully consider supporting one or more of these young leaders (\$18 per leader).
