

Part 2 - May 22nd

Discussion Questions

1. "Disagreement is unavoidable, division is a choice."
What do you think about that statement?
2. How do you "love one another" if you don't agree with them?
How does Jesus do that for you? How should we do that for others?
3. Andy challenges us that "we can disagree politically and love unconditionally." Why should we do that? How do you think we choose love over division?
4. God loves us in spite of the fact that we are wrong and continue to be wrong about a lot of things, including Him. Why do you think He loves us that way?
How can we be that way more with others?
5. Galatians 6 says that we are to "carry each others burdens, and in this way you will fulfill the law of Christ." We can be united by the fact that none of us have it all figured out and we all have our stuff, but all need the grace of God. How do you connect with that? How does that help you move towards "the messy middle?" How can you and your group choose to carry each others burdens, even if you don't agree with them?
