

IRRESISTIBLE

WEEK THREE: AN IRRESISTIBLE CHURCH FOR THE NEXT GENERATION

1. Share something impactful that someone taught you when you were a teenager.
2. What is something you wish you would have learned how to do when you were younger? (Change a tire? Fix something? Cook something specific? Balance a checkbook?)
3. How does the next generation currently affect our group? (Do we have kids? Volunteer? Family?) Share your connection to the next generation.
4. We hear it all the time: the faith of the next generation is worth everything. What does that mean to you? What should that mean to our group?
5. How can we as a group partner with Anthem to help inspire the next generation to follow Jesus?
