

ONE THING IS FOR CERTAIN

Part 1 - August 23rd

Discussion Questions

1. Have you had an experience that exposed, even temporarily, the illusion that you are in **control**? How did that **impact** your faith?
2. Is your faith actually faith in God? Or is your faith in **certainty** that you're trusting God for? Has your quest for certainty made God a means to an end?
3. If faith was a **ladder**, what is your ladder leaning against? What, if it moved or evaporated, would cause your faith to come **crashing down**?
