

## Part 4 - May 2nd

### Discussion Questions

1. Can you think of someone God **providentially** brought into your life at just the **right time**? Initially, did you **resist** their input? Why?
2. You may be hesitant to acknowledge it, but have **you played that role** in someone else's life? Were you **reluctant** initially? If so, **why**?
3. Are the people whose stories shaped and strengthened your faith **aware** of the role they played in your life? Have you **told** them? Would you?
